

**Magellan Corporation** is a leading independent distributor of specialty steels as well as other metallurgical products. Established in 1985, (and doing business in Spain since 1985) Magellan offers the Marketplace a wealth of supply chain knowledge and technical expertise. As a socially responsible corporation, Magellan provides reliable and stable product management for its customers and suppliers while benefiting the community.

Magellan is deeply rooted in a culture of caring –for its employees, clients, suppliers and shareholders, but also for the greater community and its citizens. As a company, Magellan strives to make a positive impact on a local and regional scale. Magellan Corporation is honoured to support numerous deserving charitable organizations with a diverse range of causes.

In this line of action we collaborate with the Master in Classical Guitar Performance, University of Alicante, Spain with a scholarship awarded to an outstanding North American guitarist.
